TERMS: Due on receipt of bill

2 % per mo. after 30 days

Labor / Material	Description	Hrs./Qty	Rate	TOTAL
	Job location: Greenville Overlook			
Labor	Tulip poplar, (dead, N of lot # 41, (Street address 147 Odyssey Drive, photo taken from around 135 Odyssey Drive) - First prep by removing by removing dead top of beech, (next to it), so when felling tulip poplar the tulip poplar doesn't get hung up in the beech (by the time the tulip poplar hits the beech there won't be enough momentum for the tulip poplar to push through the beech). Then fell tulip poplar to the south, leaving it where it lands.	6.6	87.50	577.50
Tractor	Tractor / front end loader Estimated time, 3.3 hours for 2 men each	2	25.00	50.00
	Subtotal			627.50
Labor	Ash, (dead, S of lot # 139, (Street address 323 Oracle Drive, photo taken from near 318 Oracle Road)) - Carefully jump apart top out of a bucket truck, then fell trunk to the south into the common space leaving everything where it lands.	5	87.50	437.50
Bucket truck	Bucket truck	1.25	60.00	75.00
Tractor	Tractor / front end loader Estimated time, 2.5 hours for 2 men each	1.25	25.00	31.25
	Subtotal			543.75
	Subtotal for the initial request			1,171.25
	Dave since the dead Ash (listed directly above), is a mowed area that is maintained on a regularly basis this next listing is if in case the Board decides it's not a mess they want there and the price given is if it is cleaned up when we are already on site.			
Labor	Ash, (listed directly above) - Chip brush, load out wood, and clean up while we already there.	7.5	87.50	656.25
Tractor	Tractor / front end loader Estimated time, 2.5 hours for 3 men each	2.5	25.00	62.50
	Subtotal			718.75
